Dear Parents/Carers

Year 1 Bradfield Woods Friday 3rd July 2026

We have been in contact with Bradfield Woods and rescheduled this trip following the cancellation on Wednesday 25th March due to high winds. The new date for Africa's visit to Bradfield Woods is Friday 3rd July 2026.

During the day, we will be learning about the plants and animals that can be found in the woods. We will have the opportunity to take a close look at skulls, feathers, skins and nests to develop their knowledge of animal classification. We will examine the bark and leaf shapes of the trees and create natural artworks, as well as taking part in games and activities to help us learn about the life cycles and different parts of the plants that can be found in the woodland.

The coach will leave school after morning registration and will return in time for the end of the school day.

Children will need to be in their school uniform and must bring a packed lunch, drink, appropriate outerwear and a suitable rucksack/bag to carry them in. Most of the activities are outside and so you may prefer to send your child in wellies or trainers (weather dependent) instead of their school shoes.

Please follow this link: [Africa Trip to Bradfield Woods – Fill in form](#) to a Google Form to give permission for your child to attend the trip and, if required, order a Pick and Mix lunch (FSM only).

Yours faithfully,
Ms Sarah Paddon
Year 1 Class Teacher
