Dear Parents/Carers

Year 2 trip to Jimmy's Farm Friday 22nd May 2026

As part of our science learning in the coming months, Oceania class will be learning about animals and their habitats. To bring the topic to life, and embed the children's learning further we will be taking Oceania class to Jimmy's Farm on Friday 22nd May 2026.

During the day, we will see lots of different animals and find out about their habitats. We will be taking part in an adult-led 30 minute educational session led by the team at the farm to help us understand why particular habitats suit different animals.

The coach will aim to leave school at 9:00am and will return in time for the end of the school day.

Children will need to be in their school uniform and must bring a packed lunch, drink, appropriate outerwear and a suitable rucksack/bag to carry them in. We will be outside for the majority of the day.

Please follow this link: [Oceania Trip to Jimmy's Farm – Fill in form](#) to a Google Form to give permission for your child to attend the trip and, if required, order a Pick and Mix lunch (*FSM only*).

Thank you to the PTFA who have subsidised this trip, resulting in a cost of only £11.54 for each child. This will be available to pay under 'Trips' on Arbor.

We will not be needing any parent helpers for this trip.

Yours faithfully,

A handwritten signature in black ink that reads "Mrs Benford and Mrs Hutchings".

Mrs Benford and Mrs Hutchings
Year 2 Class Teachers
