Dear Parents/Carers

Woofyt Project at Sudbury Arts Centre, Tuesday 7th October 2025

We will be taking North America Class to Sudbury Arts Centre (St Peter's Church, Market Hill) in the morning of Tuesday 7th October to have the opportunity to experience a WOOFYT. WOOFYT stands for *Wooden One-octave Organ for Young Technologists*. It's a large, interactive music machine powered by air and operated by up to 30 children at once. This is a unique chance for your child to engage with music and technology in a way that's both educational and unforgettable.

To try to minimise the cost of the event and coach, we would request for your child to be dropped off at the front of Sudbury Arts Centre (St Peter's Church, Market Hill) at **9.10am**, where they will participate in the session. A coach will then collect them and return to school for lunch and their afternoon lessons.

Children will need to wear school uniform and will need to bring their bags, packed lunch and drink in a back-pack they can carry themselves ready to be in school for the afternoon. If your child would like a school dinner on this day, they will be able to order one. We will be back to school in time for lunch.

We won't be taking parent helpers on this trip at present.

Please follow this link: <https://forms.office.com/e/NvHsSJkhTL> to a Google Form to give permission for your child to attend the trip. A register will be taken at the beginning of the morning, if they wish to choose from the lunch options on the day.

Thank you to the PTFA who have subsidised this trip, resulting in this trip being free of charge.

Yours faithfully,

Miss V. Y. Butcher
Year 5 Class Teacher
