

January 2024

Dear Parent/Carer,

South America – Siemens Healthineers

South America will be visiting Siemens Healthineers for the morning on Friday 8th March to enhance the children's experience of Science, Technology, Engineering and Maths (STEM) in action and the future careers it can offer. Siemens Healthineers is an internationally renowned medical technology company and has been at the forefront of many innovative breakthroughs; some of which are developed at the Sudbury site.

During the visit, the children will be:

- Taken on a brief tour of the facilities.
- Provided with some demonstrations of what Siemens do at Sudbury, as well as globally.
- Meet and engage with activities alongside the current team of apprentices.

The children can be dropped off at school at the normal time of 8.35am where we will be leaving promptly at 9am. We will be returning to school at 12.20pm in time for lunch and the afternoon session.

The visit to Siemens Healthineers is free, however the cost of the coach will be **£6**. This will be available to pay on Arbor. If you have any concerns regarding payment for the trip, please contact the school where we will be happy to discuss different options.

Yours faithfully,

Miss V Butcher
Year 3 Class Teacher

----- **Year 3 Siemens Healthineers – 8th March 2024** -----

I give permission for _____ (Child's name) to attend Siemens Healthineers on Friday 8th March.

I have paid the £6 on Arbor for the coach.
