22nd September 2021

Dear parents and carers,

As part of our history topic this half term, I have arranged for Braintree Museum - to run a workshop for the children in school. The title of the workshop is "BRITAIN FROM THE STONE AGE TO THE IRON AGE". It will give all children the opportunity to explore artefacts, games and activities alongside discussions on a variety of sub-topics that emphasise the changes over a period of time in prehistoric Britain. There will also be the opportunity to "discover" artefacts using the tools an archaeologist might, and to make a clay coil Bronze Age pot.

The workshop will run for a full school day on Monday 18th October. Children will need to be in full uniform bring in a packed lunch or order a school dinner as usual; drop off and collection times remain the same. The cost of the workshop will be £5 per child.

Payments for the workshop can be made via Arbor.

If you have any questions or concerns, please do let me know.

Many thanks,

A handwritten signature in black ink, appearing to read 'MH'.
