Dear Parents/Carers,

Asia – OSA 16th February

I am writing to inform you about an upcoming educational visit that we have organised for Asia Class. On Friday 16th February, from 10am to 11am, your child's class will be visiting Ormiston Sudbury Academy (OSA) for an exciting lesson on Electricity, which is a topic covered in our curriculum.

This visit aims to provide our students with a unique learning experience to enhance their understanding of electricity as a part of the Science curriculum. Ormiston Sudbury Academy can provide more specialised facilities and has kindly offered to host our students for this special lesson.

We have made arrangements for transportation via minibus, and the students will be accompanied by myself and Mrs Taylor. We have tried to reduce the cost of the trip as much as possible; however, a payment of £2 to cover the bus cost would need to be paid on Arbor, please.

As we will be back in time for lunch, your child can either have a packed lunch or a school lunch as usual. The GWPS jumper or cardigan should be worn while at OSA. However, as it is PE day, please make sure to wear PE kit underneath.

If you have any questions or concerns regarding this visit, please do not hesitate to contact the school office. We will be delighted to assist you in any way we can.

Thank you for your continued support and cooperation in helping us provide exceptional learning opportunities for our students. We are confident that this visit will be both enjoyable and enriching for all involved.

Kind regards,

Miss Balaam
