January 2024

Dear Parents

**Asia Class Skills Escalator Day – BUILT Environment  
West Suffolk College 21<sup>st</sup> May 2024**

We have been given the opportunity to take our Year 6 children to a Skills Escalator Day at the Built Environment Campus of West Suffolk College.

Skills Escalator Days are designed to bring primary school children into contact with industry. They offer a series of age-appropriate, practical hands-on activities for the pupils, run by representatives from business, industry, local government and the wider public sector. The overall objective is to directly link school children with the world of work, to allow them to see and talk to people from all areas and to build in them a lifelong curiosity and passion for the world of work.

The coach will leave promptly at **8.45am**. We hope to return to school in time for the end of the school day. All children will need a packed lunch and drink in a bag that they can carry themselves, preferably a backpack. Please indicate if you would like to order 'pick and mix' on this day.

Access to the activities is free but we do need to ask for a donation of £9.50 to cover the cost of transport.

Please indicate below that you give your permission for your child to attend this visit and pay the £9.50 donation via Arbor.

We hope this will be an exciting opportunity for the children to continue to broaden their experience of future careers. For more information about this opportunity please see:

<https://www.westsuffolk.gov.uk/Business/skills/careers-advice-guidance-inspiration.cfm>

Yours faithfully,

Rachel Hutchings  
Deputy Head Teacher
