16th December 2022

Dear Parents & Guardians,

Sports for Champions are coming to visit Great Waldingfield Primary School on the 27th January 2023.

The pupils will be taking part in a sponsored fitness event that has been organised by our chosen athlete – Bex Raynor. Bex is a female footballer for Sheffield United and after the recent success of the England Women winning the Euros, there is a national drive to develop more girls into football. However, the values underpinning the success behind her career is achievable to anyone in Great Waldingfield Primary School. The determination, perseverance, respect and many other key skills and values will be invaluable to their future.

Bex Raynor will be working with the children throughout the event and will give an assembly for pupils to learn how their athlete got into sport, nutrition, give a demonstration of their sport and finish off with a Q&A session. The athletes aim to inspire the children and give tips on how to succeed by outlining the four key elements of Success; Teamwork, Responsibility, Communication and Creativity. We believe Bex Raynor will be an exceptional role model and deliver an inspirational speech about her career so far.

We are asking each child to raise a minimum sponsorship of: £2.50 to cover the costs of the athletes visit and raise funds for our PE resources.

If your child is able to raise between £5 and £15 they will be presented with a photo card of the athlete. If they are able to raise between £16 to £34, they will be presented with a poster of the athlete. If they raise £35 or more, they will be presented with an autographed instant photo of themselves alongside their GB athlete in a keepsake wallet. We understand that not all families are able to raise money and therefore stickers are awarded to every child so that no one is left out. An engraved trophy will be presented to the class that raises the most, so that everybody can work together as a team to win the trophy!

We ask for your kind cooperation with sponsorship forms and money to be returned back to school as soon as possible, or at the very latest the day before the event. Sports for Champions will only be at Great Waldingfield for the day to issue the rewards with the GB athlete, so this aims to ensure no child misses out on their recognition of hard work.

Thank you in advance.

Kind regards,

Miss Balaam
