4th January 2022

Dear Parents,

We are looking forward to welcoming all the children back to school tomorrow.

As you will have heard the government published new guidance for schools regarding COVID-19. The changes do not affect primary schools. Therefore, we will continue in much the same way as before Christmas.

Drop off time for all children is 8.40 – 8.50am.

Pick up time for all children is 3.15pm.

Please follow the one-way system around the school building and maintain social distancing when waiting. Whilst on the school site please wear a face covering (unless exempt).

If there are cases of COVID within a child's household but they have no symptoms they may attend school as usual but should take a LFD (lateral flow device) test before the beginning of the school day to check they remain negative. If the LFD is positive they should book a PCR test and immediately self-isolate. If the PCR test is negative they may return to school. If the PCR test is positive then the child and the household should follow government legislation on self-isolation.

We understand that symptoms of the Omicron variant are much the same as the common cold so we will ask children who are displaying cold like symptoms to book a PCR and self-isolate while they wait for the result.

Thank you for your support.

Yours faithfully
