22<sup>nd</sup> November 2021

Dear Parents/Carers,

Suffolk County Council have reviewed the restrictions they have in place for educational settings. The key change is for pupils who are household or close contacts of cases and is as follows:

- Daily LFD testing whilst continuing to attend school if the result remains negative
- Take a PCR test on the fifth day from first contact with the symptomatic case (continue to attend school until the result of the test). If the test is positive isolate immediately. A negative test result then child continues to attend school.
- You may be asked for evidence of a negative result

At Great Waldingfield there is twice weekly testing for asymptomatic staff and staff wear a face covering in communal areas. We are also following Suffolk County Council guidelines of accepting essential visitors only.

The safety of the school community is our priority. We will keep you updated as changes to restrictions altered.

Kind regards,

A handwritten signature in black ink that reads "Tina J Hosford".

Mrs Tina J Hosford

Headteacher
