Dear Parents/Carers,

The class teachers have been amazed by how quickly and smoothly the children have moved to remote learning. They are also thrilled with the quality of the work the children are uploading to Seesaw or in Saplings, Tapestry. This afternoon during our virtual Celebration Assembly the children in school have been hearing how well the children at home are doing. All our 'Stars of the Week' this week are remote learners so they will be receiving their certificates in the post.

If you are unable to access the learning platforms please email us as soon as you can :

Class teachers will be contacting families who are not engaging with Seesaw or Tapestry by phone next week to see where we can help your child learn remotely. Remember you may request a hard copy of the learning which can be collected after midday on Mondays for the week. If you are shielding, then the pack will be delivered.

All children will be receiving login details for 'Charanga' along with instructions on how to access this website. Many of the children will be familiar with 'Charanga' as some areas of the music curriculum are currently taught using this resource. Class teachers may also use these materials for remote learning.

Have a safe and relaxing weekend. Please STAY AT HOME – PROTECT THE NHS – SAVE LIVES.

Take care,
