17th November 2020

Dear Parents/Carers

Christmas Performances 2020

On Friday 4th December we have arranged for our Christmas Performances to be filmed. Although the children will be in their class bubbles they will be performing the same songs. Of course they will not be singing but the Christmas music will be beautifully interpreted through actions. Some of the children will also be telling the Christmas story. Saplings will be performing a nativity.

The finished video will be uploaded to our website. Some parents have requested their child/children do not appear on the internet and we, of course, respect their wishes. However, in the past when we have left children out of a film or photograph parents have been disappointed that their child/children are not included. Therefore, please indicate whether you do or do not wish your child to take part in our Christmas video using the online form that can be found via this link [Click here](#) Even if you have already agreed for your son or daughter to be on the internet please confirm your request for this event using this form.

On the day of the filming we would like the children to come to school wearing Christmas hats (not so big that it obscures the children behind) and tops and jumpers in Christmas colours. They may also have a 'Christmas hairstyle' by adding tinsel or glitter spray.

Of course we are disappointed that we can't put on live performances as in previous years but I know the children will enjoy making the video and as much as you will enjoy watching it.

Yours faithfully

A handwritten signature in black ink that reads "Tina Hosford".
