

6th November 2020

Dear Parents,

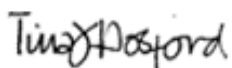

We will once again be supporting Children in Need. Although the present circumstances mean we are more restricted in what we do, it is important for us all to help others who are less fortunate than ourselves.

This year we are asking children to bring a suggested donation of £1 in return for coming to school in non-uniform on **Friday 13th November 2020**. In keeping with the Pudsey theme children may like to 'go spotty'!

In school on the day the children will be doing a Pudsey art project which we will display in the hall and show on our website.

Thank you for your support.

Yours faithfully,

Mrs T J Hosford
