

Friday News 06.06.2025

Welcome back for the final half term of the academic year. This is the term where we finish off our assessments of the pupils ready for reports, try to get out of school as much as we can to enhance the learning with trips and visitors. We have started the week off with Year 2 taking part in a Skills Escalator Day in Sudbury as well as visiting Gainsborough's House. We know there is a lot happening this term and we hope to keep you fully up to date with all events. Please keep an eye on Friday News for any reminders.

Safeguarding

In a recent safeguarding meeting, a list of emojis and what they can mean was shared with staff. These were enlightening and I would like to share this information with parents as well. The meanings behind emojis is ever changing but the attached document has some very useful advice for parents of older pupils and teens.

T-Birds

Just a reminder if you are going to be late collecting from T-Birds, please call the T-Birds number so staff are aware. Please save this number on your phone so you can make a phone call safely and legally if you're stuck in traffic.

The number is: **07762 022895**

Parking

My usual half termly reminder about parking around school site. I know this is very tricky and we all lead very busy lives. Can I please ask that you refrain from using the staff car park unless you have agreement from myself to do so. I also ask that you are very mindful when parking on the streets around. There have been some tickets issued around school this week for people parking on yellow lines. Please also be mindful of our neighbours. They may need to leave their houses when you are picking up / dropping off and although you may think you'll only be 10 minutes, that delay would be inconvenient for the resident. Thank you for considering others when parking.

Attendance

We achieved **94.6%** attendance this week, this is a decrease on before half term.

Year 3 are our attendance champions this week with **99%**, well done Year 3! They were followed by Year 1 with 97.5% and Year 2 with 94.7%.

#MomentsMatterAttendanceCounts
