

End of Term News - 19.12.2025

What an amazing autumn term we've had! I would like to thank all pupils, parents and staff for their support in making the term as enjoyable as it has been. The school relies on everyone working together to have an impact on the children's lives. School is not just about sitting in the classroom, it's all of the extra bits that make it enjoyable for all. Here are a few highlights from the year so far.

Charity fund raising

The school raised £264.54 for Children in Need and an amazing £467.35 for the British Legion from the Poppy appeal. We were the top school for the poppy appeal!

Performances

Both Antarctica's nativity and the KS2 concert at the church were amazing. This allows those children who love to perform the opportunity to shine. For those who may not enjoy it as much, it shows how courage and determination can help overcome those feeling of anxiety and the rush when it's finished makes it feel worth it. We were really proud of all children in the performances they were brilliant. We look forward to class assemblies which will be returning in the new year.

Community Links

It has been a mission of mine this term to get members of the school out into the local community to see what a difference they can make. We started by delivering harvest hampers with Reverend Faith and have even helped in the Community Larder. Watching how respectfully Tulip, Molly T, Wilf and Marley from year 6 served at the larder Christmas dinner was wonderful.

Church Links

My first experience of the Live Nativity was certainly worth the wait! Such a special way to share the Christmas story with the children and one that I know they will remember. We have also been involved in the Reredos project at the church having made our own mosaics in school. Every child has also completed a line of our school logo mosaic which will be making its debut at the front of the school after the holidays.

School Council

Our Year 6 school councillors, Tulip and Wilf, have held an assembly with the children on recycling and this will be our focus for the school council for the year. More to come on this in the new year.

Sport

The new football league has been an amazing success and we finished near the top of the table in both the boys and the girls league. We look forward to this restarting in the spring. There will also be further opportunities for sporting events.

PTFA

What an amazing job the new PTFA team have done already this term. The Christmas disco was a roaring success and the children loved the snow machine and Father Christmas coming to visit. The raffle was a huge hit with so many raffle tickets being sold. Well done to the PTFA team.

So many wonderful things to celebrate on top of the learning. Well done to everyone. A fantastic term and I wish you all a very restful festive break.

I know we don't like to think about it but if you are concerned about a child over the holidays, please see the safeguarding page on our website for details on how to report these concerns. <https://greatwoldingfield.ovw5.juniperwebsites.co.uk/page/?title=Safeguarding&pid=54>

See you all on Tuesday 6th January.
