

May 2023

Dear families,

As part of our learning next half term Antarctica class will be visiting The River Stour Trust in Great Cornard on Friday 23rd June 2023.

We will be learning about water through our topic of “Splish, splash, splosh” and the story of Mr Gumpy’s Outing. This is a fantastic opportunity for the children to have a boat trip along the river and find out about the creatures that live near and in the river in Suffolk.

The visit to The River Stour Trust will cost £6. This will be available to pay on Arbor.

We are asking that children are dropped off at the Visitor Education Centre, Dove House Meadow, Great Cornard, Suffolk, CO10 0GF at 9:30am and are collected again from the trip at 2:30pm.

The children will need to be in their school uniform but they can wear trainers. The children can bring their own packed lunch or order a school packed lunch. This needs to be ordered in advance on the slip below. The children should have their water bottle and appropriate outerwear (raincoat or jumper depending on the weather!) Please make sure your child is wearing sun cream and has a sunhat with them.

Yours faithfully,

Mrs J Longhurst  
Antarctica Class Teacher
