

20th May 2024

Dear Parents/Carers

**Oceania Class Visit to Skills Escalator Day
West Suffolk College – Cornard Road Sudbury
Friday 7th June 2024**

We have been given the opportunity to take our Year 2 children to a Skills Escalator Day in Sudbury on Friday 7th June.

“Skills Escalator Days are a series of age-appropriate, practical hands-on activities for children, run by representatives from local businesses, government, and industry, around their respective sectors to directly link school children with the world of work, to allow them to see and talk to people from the world of work and to build in them a lifelong curiosity and passion for the world of work.”

To remove the cost of expensive coach travel, Children will need to be dropped off at the **Cornard Road Campus of West Suffolk College between 8.50 and 9am**. School staff will meet the children in front of the building where there is a small car park that parents can drive through. The children will be escorted into the building where more school staff will supervise them.

After the activities are completed we will be taking the children for a picnic lunch and a visit to the library. The children will then need to be collected from the **Kingfisher Pool Carpark at 2.30pm**.

Children will need a packed lunch and drink in a bag they can carry themselves, preferably a back-pack, along with suitable school uniform for the weather including suncream/hat/waterproof!
If your child requires a school ‘pick and mix’ lunch on this day, please request it below.

We will be taking parent helpers on this trip so please let us know if you would like to join us.

Please complete the reply slip to give your permission for your child to attend this visit and indicate who will be dropping off and collecting your child.

Yours faithfully,

Mrs Benford and Mrs Hutchings
